Work experience:

- 01.07.2017 I have worked privately on new ideas. Some of these ideas are described at www.borgesblog.com/soknader and www.borgesblog.com
All these ideas will later be described at www.oponentus.tech or www.oponentus.net
- 10.2016-07.2017 Unemployed: I have spent much time on telling about my years before and after 2011 through my youtube account during these months. This has been important to me for different personal reasons, and it has led to some important discoveries that may be used for product development and in other ways on different fields internationally.
- 02.2016-06.2016 Course through the Norwegian employment office in accounting
06.2016-10.2016 Work practice as employee in "Statens Pensjonskasse" through the course
- 07.2005-12.2014 **Oponentus AS, Entrepreneurship**
I successfully planned a complex and promising internet system for sports. (www.oponentus.com). The project received funding from innovationnorway.no in 2006/2007 and as a R&D project the years 2008-2012 from Skattefunn.no. Accounting (10-20%). I worked out and filed annual accounts for the business which were audited and filed to the Norwegian companies register and Norwegian tax authorities. Handling the project financially included handling vouchers, bank payments, reconciliation of accounts, other document filings using Altinn.no, salaries and invoices.
- 01.2008-12.2012 **Private business, stock trading**
Apart from my role in Oponentus I traded stocks. That gave me an extra income during the years 2009-2011.
- 09.2006-09.2008 **Ikea Slependen**, Call center employee
Worked with customer services by Ikea's National call center in Norway
- 04.2004-09.2006 **Nordic Telecom**, Høvik, accounting assistant
Got a work practice through the Norwegian employment office but I did not believe I was qualified for the job so I ended it myself.
